

NICHOLAS HOFFMAN AND CO.

INVESTMENT COUNSEL

You are invited to attend Nicholas Hoffman & Company's 7th Annual Women's Investor Luncheon, a four-class series led by Carl Gambrell. Carl is an engaging presenter with extensive experience in explaining complex financial markets. Past participants have indicated that they gained new insights on how the markets really work, as well as a clearer picture of today's financial challenges.

The Luncheons will be held monthly, and each will take place on a Wednesday. We hope you can attend them all, but recognizing that might not be possible, Carl has designed each session to address a stand-alone topic.
